*Anyone want to be el presidente for the
2015 & 2016 seasons, please let your name
be known!! Campaigning starts..."NOW"!*

From the Laptop of Jen

What a season ending we had! Our meet attendance increased as the summer wore on and regionals were a huge success. Best times were rampant! The weather was stellar all summer and the competition only got better as the season progressed.

As president, I met many new families and was even reintroduced to the Little Stingrays group – been a long time since my kids were that little. Our coaches, parents and swimmers are wonderful and so much fun to be around. I look forward to many more opportunities to socialize with our “summer family,” (Linda Bradley, Aug 3, 2014).

This season has been a rather awkward one for me, as many of you may already know. My own two kids rarely swam due to our family’s commitment to a number of other non-swimming, out-of-town events we had to attend and I felt like I was barely at the pool. With that, I must give credit to the executive and the other parents who stepped up to “carry the ball.” The Stingrays Club knows how to pull together like no other!

Thank you to our division parents (new this year) and I hope that everyone appreciated their efforts to answer your questions, I was certainly glad they stepped up.

Thank you ALL STINGRAYS for such a successful season!
